Berry Brown Polish

Berry Brown Flamed

Berry Brown Leather Pattern

Berry Brown Mine is one of the Biggest Granite mines located in Gujarat. It is spanning 7.02 hectare area. Material pattern is Light greyish with small uniform grains which makes it perfect choice for architects to consider it for projects. As material is with small grains, it looks adorable in Leathered, flamed and Sandblast finish. Berry Brown mine is located near Baroda city Gutanwad Village, Tehsil Pavi Jetpur, District Chhota udepur.

Physical Properties:

Specific Gravity	: 2.57 MT / cu.mtr
Water Absorption	: 0.49 %
Compressive Strength	: 882 kg / cu.cm
Flextural Strength	: 176.02-198.48 kg / cu.cm

Distance of Berry Brown Mine from:

Ahmedabad Internation Airpot	: 197 km
Mundra Port	: 548 km
Hazira Port	: 224 km

Baltic Brown Mine is located Pataliya Village, Tehsil Idar, District Sabarkantha. Material pattern is big round reddish flower with small uniform black grains surrounding it. This material is best suitable for Kitchen Countertops. As material is having Big round flowers, it takes excellent lapato finish. For extraction of Blocks, We are using Compressor Drill.

Physical Properties:

Specific Gravity : 2.74 MT/ cu.mtr
 Water Absorption : 0.08 %
 Compressive Strength : 898 kg/cu.cm
 Flextural Strength : 134-137 kg/ sq.cm

Distance of Baltic Brown Mine from:

Ahmedabad Internation Airpot : 112 km
 Mundra Port : 427 km
 Hazira Port : 401 km

JB Red Polish

JB Red Lapato

JB Red Flaming

Compressive Strength	: 864.33 kg/cu.cm
Flextural Strength	: 133-138 kg/ sq.cm

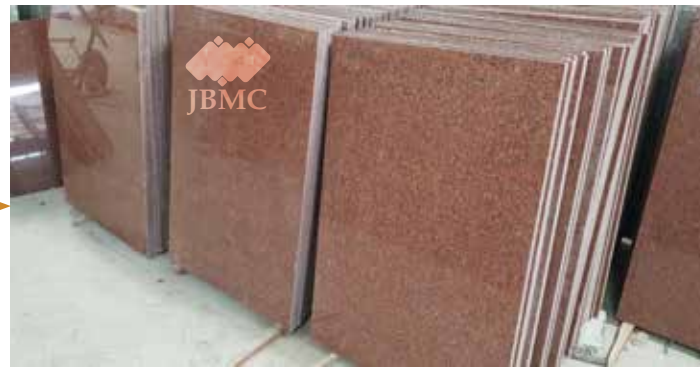

Distance of JB Red Mine from:

Ahmedabad Internation Airpot	: 107 km
Mundra Port	: 414 km
Hazira Port	: 383 km

We are having Multicutters for providing efficient cutting of Granite blocks. For Providing Better Quality of Gloss on Granite slabs, we have equipped 16 head line polish. In today's Growing infrastructure market, time for delivery of Project is more valuable and we count for it. To help Project developer in this regard, we provide turn key solutions by having Bridge cutter which enable us to cut Granite tiles with accuracy. Therefore, Project developer need not have to manage Granite cutting on site. We have attached reference image for Quality of work we have done so far.
